

# Scouting is adventure !

**Venturers: Calling all 15-17 year olds**

**Bored? Feel like doing something with your life? Don't know where to start? How about trying Venturers? You need no prior experience in Scouts or Guides. Venturers is a do-it-yourself mix of adventure, fun, personal development and friendship that will bring you together with other young people who feel the same way.**

**CHOOSE YOUR FUN** - As a member of our Venturer Unit you can choose your own activities, depending on your particular interests because we know you're most motivated to achieve when you're passionate about what you're doing. This might be camping, diving, white water rafting, or going on a mountain bike adventure.

**NOT JUST OUTDOORS** - Venturers is not just about the outdoors! You'll also be involved in a well-designed program to develop your confidence, independence and teamwork skills. You can get involved in staging professional shows, learn to be responsible for the environment and work on service projects to help others in the community. You can even boot scoot, beach volleyball or ballroom dance your way to your Lifestyles badge !

**MY FUTURE** - You can do leadership and management courses to help you in your career and personal life and you can work towards the ultimate goal - the Queen's Scout Award, recognised by employers worldwide. If you're not into badge work you can still gain nationally recognised certificates and qualifications through the normal Venturer program - like Diplomas and Certificates in Business, Leadership and Management and Outdoor Recreation.

**Our weekly meetings are held at the Scout Water Activity Centre on the Como foreshore (opposite Olives Reserve).  
Want more information? Visit our website, find us on facebook and instagram or email us (see below)**

**Venturers  
14-17 years  
Tuesday  
7-9 pm**

**Canning Sea Scouts**
